Please save the dates:

1. Starting on May 28th, weather permitting, repairs to the parking lot will begin. At this time no cars need to be moved. The repairs are to the center of the street.

2. Starting on June 2nd, weather permitting, seal coating will begin. We will start with the two lots by the dumpsters. ALL VEHICLES will need to be moved by that morning. Any vehicle not moved will be towed away at the vehicle owner's expense.
